KABOO®

The Tech Pouch

Inspired by the highly evolved football shoulder pad, the inventors at KABOO™ leveraged the principles of impact dispersion by incorporating similar materials science resulting in the patent pending Tech Pouch™. Universal in size with expandable sides to hug and protect your iPad, Kindle, Nook, and many more. We dare you to slide your tablet into the pouch and give it a test drive - you will never trust any other tech storage solution. On top of the intelligent storage - you will look fabulous! Live Loud.

Accessible
Tablet and tech gear easily slide in and out of the protective pouch.

Reinforced
The Tech Pouch™ is reinforced with an impact resistant core between two layers of foam padding for extra protection.

Protected
The Tech Pouch™ shock absorption system creates a buffer from the harsh hustle and bustle of life.

Fit
Expandable pocket adapts for a snug fit.
